Commissioner Rich,

The FY2015-16 recommended budget includes a line item for $250,000 for the Family Success Alliance in the Public Health appropriation. The Abstract 7A, is requesting the remaining funds from the Social Justice fund designated for the Family Success Alliance from the current FY2014-15 budget. If you have questions, please do not hesitate to contact me. Thank you.

Hi Bonnie,
I thought the Family Success Alliance was going to get funding from a budget line (health dept.) and not the Social Justice fund. I don't think we re-created this fund to have line items attached. My understanding is that this fund be used as a safety net when the state and other outside partners fail us.
Penny
