Yes Bob I look forward to continued service on the Animal Services Board. Although dicey, my introduction to the Potentially Dangerous Dog Appeal board really did remind me of my experience with children's services. And I ran into many a dicey situation back then when confronting parents about their children. *Should I say thanks for the trip down memory lane??*

Jeannette:

I believe that my previous emails have addressed the status of the three ASAB members mentioned in the following email that you sent me.

I also wanted to let you know that the Animal Services Advisory Board is recommending that the BOCC appoint **Jenn Merritt, CPDT** to the vacant position for a certified animal handler/trainer. The ASAB made this recommendation at its March 21, 2012, meeting (which Ms. Merritt attended). ***They did so given her varied experience in the area of animal training which includes working as a professional dog trainer for more than 10 years; and her certification as a Certified Pet Dog Trainer since 2003 and her qualification as a Tellington TTouch Companion Animal Practitioner since 2006.***

We are hopeful that you will be able to present the ASAB's recommendation that Ms. Merritt be appointed as soon as possible.

**Other Comments:**

I was on the forefront in quietly assisting the County with the vast purchase of the Sportsplex by offering up heads up information to assure a smooth and reliable take over Ethan Vance (the Sellor) by the County for the population for our Orange County residents. I have some ideas that could increase the revenues cycle and we need to make our county resident aware of the facility with perhaps a county wide campaign. Thanks for considering my request to be on this most important County Board and I feel

that I would be of assistance to the other Board members and citizens of our Orange County.
