\* Any fee changes will be included in this column;  
a blank beside each fee means there is no fee change in FY 2015-16

**2015-16 Manager Recommended Fee Schedule  
Footnotes**

<p><b>(1)</b> Language Correction</p>
<p><b>(2)</b> Decrease overdue fees for DVDs from \$1.00 to \$.50; Decrease to mirror other local libraries. Industry experience shows no significant decrease in revenue associated with this type of decrease in fees. Our experience mirrors this as well.</p>
<p><b>(3)</b> In order to address a customer service initiative, provide for sale of flash drives to public. Public Internet users have no way to save work such as resumes, applications and school work. By selling small flash drives for \$3.00 we are adding service and benefits to the customer.</p>
<p><b>(4)</b> The increase is needed to effectively enforce the importance of the exit light maintenance section of the fire code. Education is being provided to customers to do preventative maintenance and by adding a fee, this would apply per light when customers blatantly ignore the preventative maintenance program which ensures the lights will perform as installed.</p>
<p>This fee would apply to obstructed and inaccessible means of egress identified as an Immediate Danger to Life and Health (IDLH).</p>
<p><b>(6)</b> The increase is needed to effectively enforce the importance of properly maintained fire alarm systems in facilities. This fee would apply to out of service fire alarm systems that are required to be in service.</p>
<p><b>(7)</b> The increase is needed to effectively enforce the importance of properly maintained sprinkler systems in facilities. This fee would apply to out of service sprinkler systems that are required to be in service.</p>
<p><b>(8)</b> The increase is needed to effectively enforce the importance of properly maintained kitchen suppression systems in facilities. This fee would apply to out of service kitchen systems that are required to be in service.</p>
<p><b>(9)</b> The increase is needed to effectively enforce the importance of properly maintained clean agent suppression systems in facilities. This fee would apply to out of service clean agent systems that are required to be in service.</p>
<p><b>(10)</b> The increase is needed to enforce parking in fire lanes designated for fire apparatus.</p>
<p><b>(11)</b> The increase is needed to effectively enforce the importance of properly maintained fire alarm systems in facilities. This fee would apply to nuisance fire alarm activations that occur three or more within a month on a required fire alarm system.</p>
<p><b>(12)</b> The increase is needed to enforce the requirements of Section 111.4 of the North Carolina Fire Code, Stop Work Order. This section address construction workers who fail to comply with an issued Stop Work Order. A stop work order is any work regulated by fire code that is performed in a manner contrary to the provisions of the fire code or in a dangerous or unsafe manner.</p>
<p><b>(13)</b> The proposed fee schedule is currently an enforcement penalty through Solid Waste. The Fire Marshal's office will be enforcing the fine when called by fire department's that respond to illegal burns.</p>
<p><b>(14)</b> The proposed fee schedule is currently an enforcement penalty through Solid Waste as the maximum dollar value to fine individuals who are burning illegal materal. The Fire Marshal's office will be enforcing the fine when called by fire departments that respond to illegal burns.</p>

**2015-16 Manager Recommended Fee Schedule  
Footnotes**

<b>(15)</b> This proposed fee is to fine any worker for work or use being conducted without obtaining the proper permit other than the above listed fire protection permitting.
<b>(16)</b> The public school system does not have a designation of fee enforcement on the approved 1996 fire inspection rates. I am proposing to include a category under the fee scale called Public Educational (biannual) and Orange County Facilities (annual) that currently includes Business, Storage, Foster Care, Residential and Private Educational facilities. The initial inspection charge is \$185.00, reinspection \$50.00 and a third inspection fee of \$400.00. The fees for Orange County facilities would be exempt and only apply for re-inspections that result in recurring violations.
<b>(18)</b> The current revenues collected from user fees do not cover the cost of operating the system
<b>(19)</b> Allows citizens receiving public assistance to apply for an annual waiver to the pet tax for sterilized animals. Subject to written guidelines approved by the Animal Services Director
<b>(20)</b> Reduction of the fee to adopt two or more cats during peak season (April - October). Applicable when first cat is adopted at full price; additional cats will be adopted at reduced fee. Offers incentive to adopt multiple cats at a time when shelter population is at its fullest. Any loss of adoption fees will be offset by increased number of positive outcomes and related reduction in the costs of housing cats for additional days, potentially lessens the number of animals that are euthanized.
<b>(21)</b> Provides flexibility to set adoption fees during special events to offer incentive to adopt animals. Allows for greater degree of creativity and innovation to generate public interest and market events. Any loss of adoption fees will be offset by increased number of positive outcomes and related reduction in the costs of housing animals for additional days, potentially lessens the number of animals that are euthanized.
<b>(22)</b> Establishes a boarding fee for an animal impounded as a result of a situation outside of the owner's control and not as a result of Animal Control violations. Subject to written guidelines approved by Animal Services Director.
<b>(23)</b> Establishes a shelter redemption fee for an animal impounded as a result of a situation outside of the owner's control and not as a result of Animal Control violations. Subject to written guidelines approved by Animal Services Director.
<b>(24)</b> Establishes a boarding fee for animals impounded as a result of a bite or rabies exposure when the animal must be euthanized by Animal Services at the end of the quarantine period.
<b>(25)</b> To reach full cost recovery and decrease dependency on county general funds.
