# **Animal Services Advisory Board Updates: Old Business**

## Progress Report of the Wild and Dangerous Animal Task Force

- Bryan Stuart (task force chair) deferred the Task Force's report until the next ASAB meeting; the Task Force met on August 7, and was continuing to iron out details.
- Procedural Note on ASAB Task Forces
  - Bob Marotto explained that if an ASAB task force has a majority of ASAB members on it, then the same procedural rules apply to the task force as to the ASAB as a whole.
  - This means that such Task Force meeting must be noticed, open to the public, and minutes must be published.

#### **New Business**

- Succession Planning for ASAB representative to the Animal Services Hearing Panel Pool
  - o Bob Marotto explained that three ASAB members serve on the panel pool as chairs, and explained what the members do.

- o Beth Grooms was re-elected for one year only, which means that there will be a need for another panel chair soon.
- Mr. Marotto suggested considering a succession plan before next June: If somebody on the ASAB is interested in replacing Ms. Grooms, they might be able to get appointed to the panel pool before her term ends.
- o Current chairs talked about what happens on a panel, and the specific roles of the chairs.
- o There was a consensus that information on the next hearing should be emailed to all of the ASAB members, so that members can see a panel in action.

#### Pat Sanford Animal Welfare Grant

- o The ASAB received information about Pat Sanford and the grant.
- Public notification has already occurred, and the grant application deadline is
  October 15; the expectation is that decisions will be made by mid-November.
- On approved motion, three ASAB members were appointed to the selection committee: Evelyn Daniel, Lucia Welborne, and Diane Obeid.

## **Animal Services Updates**

# Dog Walking Trail
