Chinese Calligraphy Class 书法课

Chinese calligraphy is an Oriental art. But what makes it an art? It is very much like painting. It uses Chinese characters to communicate the spiritual world of the artist. Just as one thousand persons will have as many faces, one thousand persons will have as many differences in handwriting. With a history of four to five thousand years, the art of calligraphy is rich and profound in content and has attracted the attention of artists all over the world. Please join us to learn and have fun!

Coloring 101 for Adults

Yes, that's right! You don't have to be an artist to enjoy the pleasure and relaxation of creating something beautiful. Remember when you spent the day being creative without worrying about making a mistake? Well, you can do that again as you join with others in a relaxed atmosphere and let your creative juices flow. We will have the colored pencils or you may want to branch out using Art Makers and Gelly Roll pens. We will have different designs for you to work on or you can pick up a book of your own. You are able to purchase adult coloring books from Barnes & Noble or Michaels that range from simple to very complex.
