

Charging by Race in Orange County NC. 2021

These charts reflect data from the Administrative Office of the Courts of charges (not convictions) by race in Orange County NC from Jan 1, 2021 to Dec 12, 2021.

Please note that the pandemic started in March of 2020 and continued through 2022 and likely impacted charging data for 2021.

For a baseline – the Orange County population by race from the US Census, 2020:

*census data counts Hispanic as a separate question from Race, where the AOC data includes Hispanic as a race. The census data also counts a number of levels of mixed race, where the AOC data does not. So there is some duplication, but this gives us a decent comparison to the charging data.

Black	15,848
White	99,091
Hispanic	15,812
Asian/Indian	13,576
Mixed Race	12,874
