

Alternate Endings

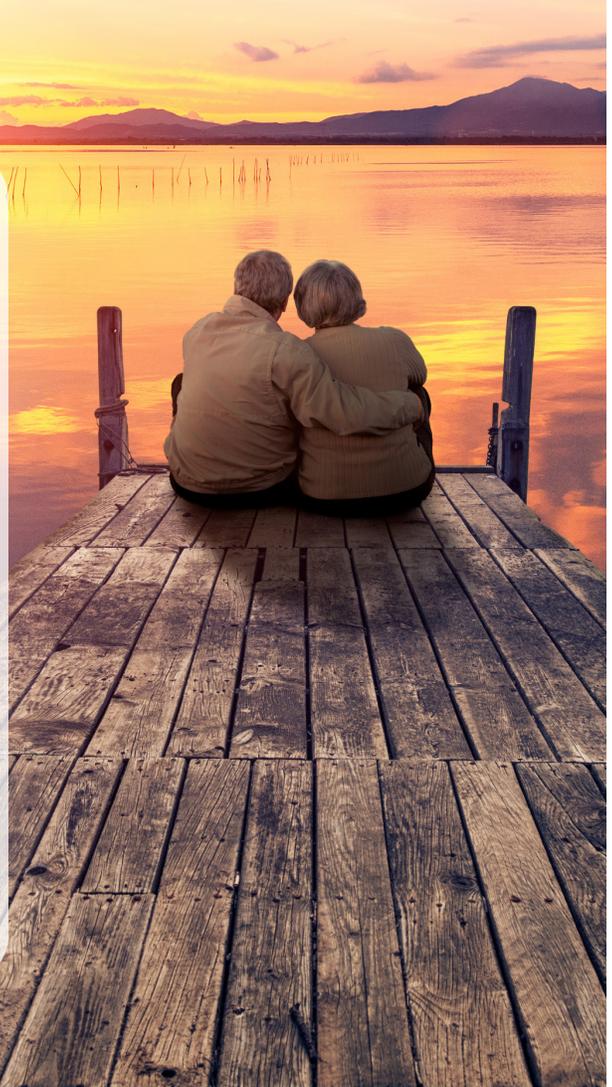

An End Of Life Choices Event

Project EngAGE's End of Life Choices Senior Resource Team proudly presents a celebration of the freedom of choice at the end of one's life.

The documentary *Alternate Endings* tells the stories of six people nearing death and family members of the recently deceased, who have chosen nontraditional end-of-life options and remembrances.

Please join us for a profoundly intimate and illuminating film that explores what it means to be near death and captures the healing power of honoring, giving thanks, and staying true to our loved ones wishes.

Our distinguished panel of experts will be present to offer their knowledge on End-of-Life choices and engage in thoughtful audience Q & A.
