Orange County Senior Centers Rules of Personal Conduct for Participants

The Orange County Department on Aging's Senior Centers are designed to be a safe place for physical and intellectual stimulation and mutual social support for older adults. It is the policy of ALL Orange County Senior Centers that all participants respect the personal and professional boundaries of one another—this means treating all other participants, volunteers and staff with respect at all times. All participants must comply with staff instructions and facility policies to ensure a safe and welcoming environment for everyone. Please do not make others feel uncomfortable or unsafe by physically touching them without their specific permission to do so – NO TOUCHING OF PRIVATE PERSONAL BODY PARTS IS ALLOWED. If a participant demonstrates disrespectful, inappropriate or hurtful actions, including but not limited to discourteous language toward staff or participants, refusing to follow staff directives, unauthorized use of facilities, inappropriate spoken words, physical gestures, or written communication, unwanted touching or suggestive language and abuse of County property, will be requested by the Department on Aging management to discontinue the objectionable behavior and if necessary to leave the facility. If it is deemed that an action rises to the level of criminality, local law enforcement will be notified and the accused may be temporarily or permanently banned from one or both Orange County Senior Centers. (Approved by the Orange County Advisory Board on Aging on November 6, 2018.)
