

Strengthening the pipeline to success for families who struggle to make ends meet.

Goal 1.

 **Children are healthy & prepared for school**

Goal 2.

 **Children / youth are healthy & succeed in school**

Goal 3.

 **Youth graduate from high school & college**

Goal 4.

 **Families & neighborhoods support the healthy development of children**

Zone 4

We are working in two zones (**Zone 4 & Zone 6**) to strengthen the system of high quality, connected supports for children and families on the journey from cradle to career or college.

Zone 6

“We dream big for our kids.
We want them to have success in life, health, happiness and safety, plus the ability and opportunity to live up to their full potential.”

Come Dream with us!
