Mandarin Mah Jong: Learn to Play like a Pro!

An ancient Chinese game which you will find challenging and fun, and good for memory exercise too. Similar to Poker, but more similar to rummy, the goal is to reach the highest combination of tiles which are called sets. Players will learn what sets are and how to best arrange them. Once the tiles can be identified and other game directions are learned, you will feel like a pro when it is all said and done. Come out and let the games begin!

Tar Heel Depression Glass Club

The Tar Heel Depression Glass Club was formed in the spring of 1984. The group shares a common interest in collecting and preserving the glassware of the American Depression era. Past programs have included talks on Heisey, Fostoria, and Cambridge; Jewel Tea, Mayfair, Fiesta, Hall teapots, Cloverleaf, and Fire-King jade-ite. Other times, however, the program will be about something related to the interest of a club member that is not specifically related to collectible glass or dinnerware. Some examples of these programs have been talks on cast iron, children's toys from the 1940s and 1950s, glass paperweights, Guardian cookware, and antique purses. Among the activities enjoyed by members are monthly meetings, social outings and trips to glass manufacturing areas of the country (West Virginia, Ohio, and Pennsylvania). This is an open group and new members are always welcome. For additional information contact the center or ncglassclub@hotmail.com
