SUBJECT: NEW EROSION CONTROL OFFICER I

The Planning & Inspections Department is pleased to announce that **Kenneth Owens, Jr. has joined Engineering/Stormwater Division as an Erosion Control Officer I.** We are excited at the opportunity to increase field inspection presence, which is an important element in our pursuit of clean water and a healthy natural environment in Orange County. This was a long-awaited position and Kenny is an excellent hire out of the 27 applicants referred to the division by Human Resources. He is a graduate of Elon University with a BS in Business Administration, a part-time farmer and most recently ended a successful 9-year career as a NCDOT construction inspector with a focus on erosion control.
