Animal Services Advisory Board

Ms. Michele Walker, Chair
106 Carol Street
Carrboro, NC 27510

Dear Ms. Walker,

On behalf of the Orange County Board of Commissioners, I want to thank you, the Animal Services Advisory Board, and county staff for your annual summary report/work plan.

The BOCC was able to review the boards/commissions' annual work summaries recently at their March 19, 2015 work session and to ask any questions/share any concerns. All of our internal boards and commissions represent the Orange County Board of County Commissioners. The purpose of the Board's review was to see how your board's work plan had helped advance the Commissioners' goals and priorities and to review your accomplishments and any emerging issues or concerns your board may have.

The Board was pleased to see collaborative initiatives between many of the advisory boards. The Board would also like for all advisory boards to understand that a delay of an action is not a comment on a proposed initiative.

We look forward to seeing your accomplishments for this next year in your next summary report. Please share this information with your full board.

Sincerely,

Earl McKee, Chair
Orange County Board of Commissioners
