Other Comments:

I am a budding artist and I am looking for opportunities to be involved with art awareness and artist development. I am currently active in visual arts; however, I have performing arts (dance) at the Durham Art Council and the Hayti Heritage center in Durham for over 8 years.-----Regarding Human Relations or affordable housing committees through my profession I am very involved with and concerned about equity and social justice issues. Most of all, I look forward to opportunities to become more active in my local community for the common good.
