PURPOSE: To consider making one appointment to Joint Orange Chatham Community Action (JOCCA).

BACKGROUND: The Clerk's office has received a recommendation from Joint Orange Chatham Community Action (JOCCA) to fill their vacant position with a B.O.C.C. representative or a community representative. At the October 6, 2009 meeting, Dr. Iheoma Iruka was appointed and she now resides in Durham County, but works in Orange County. Therefore, she is ineligible to serve on the JOCCA board as the community representative. JOCCA has indicated to staff that they would like a BOCC member to be appointed to this Board if at all possible.

Dear Ms. Foushee:

We wish to request a representative from the Orange County Board of Commissioners or a community representative appointment as soon as possible to serve on our Board of Directors. We are a non-profit Community Action Agency helping people to help themselves through the comprehensive services our agency offers. We serve both Orange and Chatham County residents.

Our Board of Directors is composed of representatives from the Low-Income, Private and Public Sectors of both counties. They meet every other month, on the fourth Thursday at 4:30pm in Pittsboro at our main office and sometimes rotate to Chapel Hill at the Job Skills Center on Franklin Street. Committee meetings and call meetings are scheduled between our regularly scheduled board meetings.

We presently have a vacancy in the Public Sector to be filled; therefore, it would be most appreciated if you would select someone to serve. We will need the name, address, telephone number and title of the individual so that we may contact him/her with additional information/orientation.

I will need an official letter from you stating their appointment to our Board of Directors.

Consideration of the above request as soon as possible will be greatly appreciated. I wish to thank the Orange County Board of Commissioners for the continued support of our agency programs and services which help people, and change lives in our community.

Sincerely,

Sandra R. Morgan
