

## **Orange-Chapel Hill Midday Connector Beginning August 17<sup>th</sup>**

Beginning August 17<sup>th</sup>, Orange Public Transportation will implement a major change to the existing Hill to Hill midday shuttle. The expanded route will serve most of the same locations as the existing OPT-operated Hill to Hill shuttle with the addition of a new stop at the Cedar Grove Community Center. Only one stop location will be removed from the schedule (UNC Health Sciences building).

Service times will be expanded to provide hourly service at all schedule-indicated stop locations in both the northbound and southbound directions roughly between the hours of 9:45am and 3:45pm, Monday - Friday. As a result, some service times at stop locations will change. To view an updated schedule and map of stop locations for the Orange – Chapel Hill Midday Connector service, you can visit the Orange Public Transportation website at:

You may also access an updated map and schedule on any Orange Public Transportation vehicle, at the administrative offices of Orange Public Transportation located at 600 Highway 86 N in Hillsborough, or at the administrative offices of the Orange County Planning and Inspections Department located at 131 W. Margaret Lane, Suite 201 in Hillsborough.

The Orange-Chapel Hill Midday Connector is a major service expansion approved/adopted by the Orange County Board of County Commissioners in October 2014 as part of the County's Five-Year Bus Service Expansion Program. The service expansion is funded using the ½% public transit sales tax approved by Orange County voters in 2012 and implemented in 2013.
