The Five Wishes: An End of Life Choices Presentation

The Project EngAGE “End-of-Life Choices” Senior Resource Team proudly presents an end-of-life planning discussion, using *The Five Wishes* booklet.

Please join us in Oct for this important discussion, and receive a free copy of *The Five Wishes* (www.agingwithdignity.org/five-wishes.php).

The Five Wishes lets your family and doctors know:

- Who you want to make health care decisions for you when you can't make them
- The kind of medical treatment you want or don't want
- How comfortable you want to be
- How you want people to treat you
- What you want your loved ones to know
