

A training program for food protection manager certification

What is NC Safe Plates?

NC Safe Plates is a food safety certification course developed by NC State University. Certification is based on passing an ANSI-approved exam from the National Registry of Food Safety Professionals. Passing this exam satisfies the North Carolina requirement for a certified food protection manager.

Who should attend?

This is a comprehensive program for food service managers and supervisory staff in restaurants, hospitals, nursing homes, schools and other food handling establishments.

Class: November 6th -7th from 8:30am - 4:30pm*
***1-hour lunch break on your own**
