

## Aging in Orange County – Tell us about your experience!

Dear Community Member,

As we embark on the development of our county's 2017-2022 Master Aging Plan, we want to hear about your experience of aging and learn what needs to be done to make Orange County an age-friendly community.

We'd love it if you would respond to our confidential, **6-minute**, survey. To take the survey, just click on the link at the end of this email.

Your feedback will help us craft a Master Aging Plan that serves you in the ways you feel are most important. Thank you for your input,

Janice Tyler, Director  
Orange County Department on Aging
