Agenda Item No. 2

Request for Town Council Action

To: Honorable Mayor Larry McCollum and Town Council
From: Daniel B. Gerald, Town Administrator
Subject: Eno-Haw Regional Hazard Mitigation Plan

Overview: In accordance to the “Disaster Mitigation Act of 2000”, Alamance County has constructed an Eno-Haw Regional Hazard Mitigation Plan. Since it is always unknown when a disaster may hit and the impacted damage, uncertain, having a plan in place shows that the Town is prepared for a possible catastrophe. “Federal mitigation planning regulations require local mitigation plans to be updated and resubmitted to the Federal Emergency Management Agency for approval every five years in order to continue eligibility for Federal Emergency Management Agency hazard mitigation assistance programs”. “North Carolina General Statute §166-A - 19.41, approved by the North Carolina General Assembly in June 2001 requires local governments to have a hazard mitigation plan approved in order to receive state public assistance funds”. Due to the lengthiness of the total document (Mitigation Plan), a copy is available at Town Hall for your review.

Recommendation: To accept Resolution as it is written.

Action Needed: Make a motion in favor of Resolution.

THE TOWN OF GREEN LEVEL - BOARD OF GREEN LEVEL

RESOLUTION OF ADOPTION ENO-HAW REGIONAL HAZARD MITIGATION PLAN

WHEREAS, in October 2000, the President of the United States signed into law the "Disaster Mitigation Act of 2000" (PL 106-390) to amend the "Robert T. Stafford Disaster Relief and Emergency Act of 1988" which requires local governments to adopt a mitigation plan in order to be eligible for hazard mitigation funding; and

WHEREAS, Federal mitigation planning regulations require local mitigation plans to be updated and resubmitted to the Federal Emergency Management Agency for approval every five years in order to continue eligibility for Federal Emergency Management Agency hazard mitigation assistance programs; and

WHEREAS, North Carolina General Statute §166-A - 19.41, approved by the North Carolina General Assembly in June 2001 requires local governments to have a hazard mitigation plan approved in order to receive state public assistance funds; and

WHEREAS, Alamance County staff along with representatives from partnering jurisdictions in conjunction with contract services have performed a comprehensive review and evaluation of the newly created Eno-Haw Regional Hazard Mitigation Plan and have updated the plan as required under regulations at 44 CFR Part 201 and according to guidance issued by the North Carolina Division of Emergency Management; and

WHEREAS, the North Carolina Division of Emergency Management has deemed the Eno-Haw Regional Hazard Mitigation Plan compliant with Section 322 of the Disaster Mitigation Act of 2000, as well as with relevant state requirements; and

WHEREAS, the Federal Emergency Management Agency has received a draft of the Eno-Haw Regional Hazard Mitigation Plan and is currently reviewing;

NOW THEREFORE, BE IT RESOLVED, that the Board of Green Level of The Town of Green Level hereby adopt, by way of this resolution, the "Eno-Haw Regional Hazard Mitigation Plan" as approved by the North Carolina Division of Emergency Management.

This the 12th day of November, 2015.
