

**CoC Agency Certification  
Due August 12, 2016**

*Please initial all boxes to certify the following stipulations*

- The project(s) the agency is applying for can commence between January 2017 and December 2017.
- The agency has registered or can register with the System for Awards Management to obtain a DUNS number.
- The project(s) the agency is applying for fit(s) within the mission of my agency.
- The agency will participate fully in coordinated entry in Orange County.
- The agency will use the Homeless Management Information System (HMIS) to capture client-level data on all beds my agency operates.
- The agency is prepared to prioritize eligible households based on the CoC's common assessment tool (VI SPDAT).

Services are essential to supporting households in maintaining their housing. HUD recommends that agencies use CoC funds for housing and find other funding sources for services so as to maximize funding. What is the agency's plan for finding alternative sources of service funding? Please address other potential funding sources and a timeline.
