1. Provide a description that addresses the entire scope of the proposed project and how the Collaborative Applicant will use grant funds to comply with the provisions of 24 CFR 578.7.

The Orange County Partnership to End Homelessness (OCPEH), operating as NC-513 CoC, proposes to use 2016 Planning Grant funding to attain compliance with program evaluation, project monitoring, written standards, and coordinated entry provisions of CoC duties as stated in 24 CFR 578.7. OCPEH will contract with a nationally recognized consultant (chosen via RFP process) to advise our community on best practice implementation, to conduct training as needed, to trouble shoot and strategize with CoC leadership, and to develop tools and processes that will help Orange County, NC end homelessness.

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

Upon receiving an executed grant agreement from HUD in summer/fall 2017, the Orange County Partnership to End Homelessness (OCPEH) will publish a Request for Proposal (RFP) distributed to nationally recognized homeless/housing technical assistance firms and through the customary Orange County process. The RFP will incorporate HUD guidelines and best practice models in the list of detailed services requested, outputs and outcomes

desired, and a proposed project timeline. OCPEH will answer questions from applicants as needed and set a deadline for 6-8 weeks from RFP publication for receipt of project proposals. The OCPEH Leadership Team will select the agency project recipient in late 2017 and Orange County will subsequently enter into a contract for services with this agency stipulating the measures outlined in the RFP. Included in the contract will be project evaluation measures including measurable goals, outputs, and outcomes. The Homeless Programs Coordinator will manage this project setting expectations and deadlines clearly with the selected agency.

3. How will the requested funds improve the CoC's ability to evaluate the outcome of CoC and ESG projects?

OCPEH is requesting funds specifically to develop a process and system for evaluating CoC and ESG project outcomes. After implementing this grant, we hope to have a process in place for regular project evaluation. OCPEH is also requesting funds for project monitoring with the plan of having an integrated outcome evaluation and monitoring program in place.

4. How will the planning activities continue beyond the expiration of HUD financial assistance?

The OCPEH Leadership Team and the Homeless Programs Coordinator will continue the work of implementing and evaluating CoC coordination through the implementation of coordinated entry, written standards, and the continued collaborative work on the client and project level. Program evaluation and monitoring programs will be set up with regular check-ins with recipients. OCPEH will continue to participate in the Orange County Consolidated Plan, and will continue the process begun this year of the CoC application activities.

Instructions:

Is it feasible for the project to be under grant agreement by September 30, 2018: Select "Yes" or "No" to indicate whether the grant agreement will be executed and the project will begin operating by September 30, 2018. The FY 2016 HUD Appropriations Act requires HUD to obligate FY 2016 CoC Program funds by this date. A selection of "No" may result in the rejection of a project application during the HUD assessment. Further, if a CoC Planning award is not obligated with the grant execution by September 30, 2018, the conditional award will be terminated and the funds recaptured.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Applicant must complete at least one row in the grid.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate?: Select "Yes" or "No" from the dropdown menu.

Select a grant term: This field is populated with the value "1 Year" and cannot be edited.

Eligible Costs: For items 1 through 8, enter a "Quantity AND Description" and amount of assistance for each activity for which funds are being requested. "Quantity AND Description" details should be thorough, and failure to enter adequate "Quantity AND Detail" may result in conditions being placed on an award and a delay of grant funding. Once a "Quantity AND Detail" and an amount have been entered into one or more of the items, click "Save" and e-snaps will total the assistance requested and determine the total Match amount required.

Total Costs Requested: This field is automatically calculated based total amount requested for each eligible cost.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "4A. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "4A. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "4A. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement. The Total Budget automatically calculates when you click the "Save" button.
