## PROPERTY TAX REVALUATION

The next real estate revaluation will be effective January 1, 2017, and tax assessments will be updated to reflect market value as of that specific appraisal date. In preparation, County Commissioner Chair Earl McKee shares some important points to keep in mind regarding the appraisal process. [http://www.orangecountync.gov/news\\_detail\\_T4\\_R519.php](http://www.orangecountync.gov/news_detail_T4_R519.php). The 2016 Tax Listing deadline has been extended to February 29.

## SPOTLIGHT ON FRANCES SHETLEY

Frances Shetley, 88, served two terms as a Carrboro alderman. “Citizens

were entitled to be heard and if they had a problem they were entitled to be helped.” She helped stop a big development effort near Anderson Park that would have destroyed the watershed; that effort is how she feels she most impacted Orange County.
