**ADDENDUM #1**

RFQ 5223
<b>Request for Qualifications to provide professional services for Orange County, North Carolina</b>

To all Vendors:

Modifications to bid documents for the above-named Request for Qualifications are made as follows and shall be included in the proposed amount.

The due date of this RFQ has been extended to October 6, 2016 at 5:00 pm

Question: Is it a requirement for this contract/project that we adhere to the DEQ established pre-regulatory landfill rates.

Answer: Thus far, the County has not anticipated (or budgeted) local funds for this project. Our expectation is to use DEQ funding for the pre-regulatory landfill assessment. It's entirely possible the County could reconsider that position as we and DEQ/DWM meet with firm(s) and develop the scope of work. We may learn things that suggest additional local funding is warranted. However this is an RFQ, and selection will be based on qualifications, and cost will not factor into this process at this time. Once a contractor is selected by OC, discussions involving the financial aspects will take place and involve the state also.

All other terms and conditions shall remain the same
