This is your curbside recycling schedule July 2016 - June 2017.

Curbside recycling has expanded, adding nearly 7000 homes, and collection routes have changed! Please keep this card as your recycling reminder for the next 12 months. Schedules are also available on-line.

In July, Orange County will be delivering recycling containers to households in the expansion area that requested them. If you are not yet recycling at the curb, and need a container to get started, contact our office.

If you use a cart, set out only your cart. Our drivers will not collect bins and carts from a single household. Set carts along the edge of the street, with the lid opening toward the street.

Have your bins or cart to the curb by 7AM, and bring them in when emptied. Recycle only the items listed on the reverse side of this card. No plastic bags or film, Styrofoam, or garbage. **THANK YOU!**
