

Let Us Know What You Think About the Proposed MAP

The Orange County Master Aging Plan (MAP) 2012-2017 will be ready for your review and comments in March. Copies of the plan will be available at the Seymour Center, the Central Orange Senior Center or for review on-line at www.orangecountync.gov/aging. Needs identified by the many people working on the MAP, and the proposed goals and recommendations to address them over the next five years are included. Your input is very important before it is submitted to the Board of County Commissioners in May.

Did we miss something? It is extremely important to get the plan right, because it will impact future community services and county budget allocations. If you want something to be developed, expanded or changed that is not mentioned in the draft Plan, WE NEED TO HEAR FROM YOU NOW!

Commenting on the Plan is easy! Through the end of March, you can turn in the review sheet at the back of the Plan to either Senior Center. You can also send an email or leave a voice mail message for Janice Tyler, Director of the Orange County Department on Aging at (919) 968-2071 jt Tyler@co.orange.nc.us, or you can attend one of the community meetings.

Public comment meetings will be held:
