Topic Areas → Objectives

- **Healthy Lifestyles & Prevention (1)**

- Objective 3: Promote wellbeing and the prevention of chronic disease for all older adults in Orange County through increased access to evidence-based programs
- Objective 8: Promote lifelong learning of older adults through increased access to continuing education classes and programs

- **Access to Appropriate Medical Care (2)**

- Objective 2: Ensure that older adults and their families can access appropriate medical care for their health needs
- Objective 9: Develop advocacy efforts for local, state and federal programs which will support older adults.

Topic Areas → Objectives

- **Workforce Training (3)**
 - Objective 10: Promote increased opportunities and incentives for medical professionals in Orange County to be trained in aging-related issues.
- **Appropriate EMS Services (4)**
 - Objective 7: Collaborate with EMS to improve services for older residents of Orange County
- **Mental Health & Substance Abuse (5)**
 - Objective 4: Improve mental health and substance abuse services and access for older adults and their families

Topic Areas → Objectives

Marketing and Information Sharing (6)

- Objective 1: Increase the accessibility of information about resources, programs, and services related to health & wellness, navigation & transportation, and community engagement available for older adults in Orange County.

Programs & Services in Long Term Care Facilities (7)

- Objective 8: Improve the quality of programs and services provided to residents of nursing homes, assisted living facilities, and family care homes in Orange County.

Chaplaincy and Spiritual Counseling (8)

- Objective 5: Collaborate with faith-based groups and other chaplaincy organizations to provide for the psychological, emotional, and spiritual needs of older adults.

Draft Objectives and Strategies

- Now that we have reviewed our priorities, please provide feedback on:
 - **The wording of objectives**
 - Are they faithful to our discussions? Are they clear and logical?
 - **The arrangement of strategies**
 - Can any of the strategies be combined?

Thank you for your participation!
