

Thank you for your interest in the Organizing Extravaganza, Part II!

This event will help you take action towards your downsizing and decluttering goals. We'll have shredder trucks, appraisers, professional organizers, real estate agents, and movers ready to help. Apple cider too!

Date: Saturday, November 18, 10 am – 12 pm

Location: Seymour Center
(2551 Homestead Road, Chapel Hill)

Fee: FREE and open to the public

Here are more details about the event:

Shredder Truck

You are **limited to ONE bag or box** of confidential papers you can carry. Bringing only confidential items to shred will allow more capacity for all.

Confidential papers are items with sensitive information such as social security numbers or credit card information. Confidential Papers include:

Bank Statements

Employee Pay Stubs

Investment Transactions

Medical Records

Pre-approved Credit Card Applications

Social Security Information or Credit Card Numbers

Tax Forms

**A name and address alone does not constitute as confidential information.

Non-confidential papers (magazines, newspapers, business mail, folders, envelopes, brochures) can be recycled in blue carts or at Orange County Recycling Drop-Off Site.

Please no plastics, metals, digital media, and other non-paper materials. Tape and staples with confidential papers are acceptable.

Source: Orange County Recycling Services

Appraising

You are **limited to TWO items to be “curbside” appraised**. Curbside appraisals indicate whether the item is worth a formal appraisal because of its expected value or if it is something that is of value largely because of its meaning to you.

Please bring photographs of your items if they are large items such as furniture or paintings, or items are too fragile to bring. It is acceptable to bring jewelry to be appraised.
