

RAMP INSTALLATION RESOURCES – updated NOV 2014

**Listings provided by: Orange County Department on Aging Transitions Program. Please note that inclusion on this list does not represent a recommendation by the Aging Transitions Program staff, or the Department on Aging or Orange County Government. These vendors are not employees, contractors, or agents of Orange County, its Department on Aging or the Aging Transitions Program. We advise consumers to thoroughly screen any vendors listed here before making a purchase.*

Home Evaluation to determine need for a ramp:

Aging Transitions Team – Orange County Department on Aging
Aging Helpline 919-968-2087

If need is already determined, the following are resources that can be contacted directly:

Independent Living:

Regional counselor is Ron Graham - 919-560-6810 ext 248. (or 919-560-6866)
–Financial qualifications (generally same as Medicaid-eligibility)
-Can be a really good option for some people but often has a lengthy delay before they are put in place

Division of Independent Living/Vocational Rehab:

There are income restrictions. Can also work with Displacement Prevention Partnership
Jenny Pleasants
[919-560-6810 / jennifer.pleasants@dhhs.nc.gov](mailto:jennifer.pleasants@dhhs.nc.gov)

Rebuilding Together:

renovations to homes of low-income homeowners, ramps, flooring, grab bars, landscape clean up, gutters, painting, weatherizations, minor repairs (also tend to have a waitlist)
<http://www.rebuildingtogethertriangle.org>
info@rebuildingtogethertriangle.org
(919) 341-5980
