* Must be able to give oral medication

Cats:

*Upper Respiratory Infection receiving treatment _____

*Injured Cat_____ Injured Kitten_____

Young kittens_____ Mother Cat and Kittens_____

Healthy Cat_____

*Must be able to give oral medication

Foster Policies and Procedures

- Orange County Animal Services Staff is always available when you have questions**
- By fostering an animal you are agreeing to take on the physical and financial responsibilities associated with caring for that animal.**
- All foster animals must be signed out with appropriate OCAS paperwork.**
- All animals need to return to the OCAS Center for scheduled follow up medical appointments.**
- Assistant Animal Shelter Manager or Animal Shelter Manager must approve all Veterinary care.**
- All animals must be returned to the OCAS Center at the end of the fostering period or if placed, must go through their adoption procedure. There is no guarantee that fostered animals will be adopted.**
- Foster animals may have contagious diseases that can infect your pet if exposed. It is very important that all your pets are current on their vaccinations. Contact your Vet concerning recommended vaccines for your pets.**
- We will expect frequent updates on the condition of your foster pet.**
- Some negative aspects of fostering include: cleaning up after puppies and kittens, destructive behavior, interrupted sleep, giving oral medication**

I confirm that I am 18 years or older, I have read the above foster program policies and procedures and that the information supplied on this application is true and correct.
