§ 18B-700. Appointment and organization of local ABC boards.

(a) **Membership.** – A local ABC board shall consist of three or five members appointed for three-year terms unless the board is a board for a merged ABC system under G.S. 18B-703 and a different size membership has been provided for as part of the negotiated merger. If the board is a three-member board, one member of the initial board of a newly created ABC system shall be appointed for a three-year term, one member for a two-year term, and one member for a one-year term. As the terms of initial board members expire, their successors shall each be appointed for three-year terms. If a board is initially a three-member board and the appointing authority determines a five-member board is preferable, the terms of the two new members shall be for three years. If a local board has five members and the appointing authority determines a three-member board is preferable, the appointing authority shall not reduce the size of the board except upon the expiration of a member's term and only with the approval of the Commission. The appointing authority shall designate one member of the local board as chairman.
