Eat Smart, Move More Health Tip

Enjoy More Fruits and Veggies

What are low in calories, full of essential nutrients and can help reduce your risk for chronic diseases? Fruits and vegetables! Make fruits and vegetables half your plate at every meal and for every snack. Fresh, frozen, dried, canned—it all counts. Shake things up by enjoying a variety of colors to stay healthy and fit. Your body will thank you.

For more tips on how to eat your fruits and veggies every day where you live, learn, earn, play and pray, visit

Enjoy More Fruits and Veggies

Eat Smart Move More

Orange County

Key Messages

- Fruits and vegetables in their natural state are low in calories and fat.
- Choose fruits and vegetables for snacks and meals.

Objectives

Participants will be able to:

1. State why fruits and vegetables are good choices for weight loss and weight maintenance.
2. Identify ways to easily add fruits and vegetables to their daily diet.

Suggested Strategies

1. Share with participants the educational materials provided to show them how to enjoy more fruits and vegetables in their daily diets.
2. Present to families a new healthy recipe each week and encourage them to try different food preparation techniques to discover new tastes.
3. Serve more fruits and vegetables at meetings and gatherings; or bring fresh produce to your setting.
