ORANGE COUNTY MAIN LIBRARY LAUNCHES NEW SELF-CHECKOUT SERVICE

WHEN: Tuesday, March 26, 2013, from 10:00 a.m. – 11:00 a.m.

WHAT: Self-checkout is now available at the Orange County Main Library in Hillsborough. The library will host a launch party for patrons and County officials. Library staff will demonstrate the self-checkout machines and attendees will have an opportunity to test them out firsthand.

The Library will also be giving away re-usable grocery bags and hold a drawing for a \$50 VISA gift card.

WHERE: Orange County Main Library, 137 W. Margaret Lane in Hillsborough

WHY: Since the Orange County Main Library moved to its current location in January 2010, the annual number of materials checked out by patrons has nearly doubled. By automating some of the everyday tasks, self-checkout will enable staff to devote more time to better serving library customers.
