

**ORANGE COUNTY HEALTH DEPARTMENT
PUBLIC HEALTH RESERVE CORPS**

Information Update Form

The Orange County Health Department wants to maintain accurate contact information for every Public Health Reserve Corps (PHRC) volunteer. In the event of an emergency we would most likely contact you by phone to alert you to activation procedures. Having your correct telephone numbers, as well as your current mailing address and e-mail address, ensures that you receive training and volunteer announcements and other important messages.

Please use this form to update personal and emergency contact information. Return this form to the PHRC as soon as possible so that your database profile can be updated. Thank you for your prompt attention to this matter and your continued support of the Public Health Reserve Corps.
