Memorandum

To: Donna Baker, County Clerk

From: Gayle Wilson, Solid Waste Management Director

Subject: Solid Waste Advisory Board Vacancy

Date: July 30, 2009

The Solid Waste Advisory Board (SWAB) term for the position occupied by Ms. Bonnie Norwood has expired. I wish to present some information relative to the possibility of Ms. Norwood being considered for reappointment.

Based on my review of attendance records, Ms. Norwood was absent 3 of the past 10 meetings. To my knowledge her absences were related to a medical related inability to attend. She dutifully informed us in advance of her pending absence.

In my opinion, for meetings attended Ms. Norwood was a fully engaged and participating member whose questions, comments, perspectives and opinions were an important contribution to the ongoing function of the SWAB. Ms. Norwood also represents the important Rogers Road community whose interest in Solid Waste related matters is well established.

Therefore, I recommend Bonnie Norwood for consideration for reappointment to the expired SWAB term. I welcome any questions or further inquiry into this matter.

cc: Frank Clifton, Manager
