

A RESOLUTION MEMORIALIZING BONNIE NORWOOD FOR HER SERVICE TO
THE ORANGE COUNTY SOLID WASTE ADVISORY BOARD

Whereas Bonnie Norwood served faithfully and diligently on the Solid Waste Advisory Board from its inception in 2000 until 2010, and

Whereas Bonnie Norwood represented not only the interests of her immediate community in the Rogers Road neighborhood, but also served as a voice about solid waste issues for others in the County who were not often heard, and

Whereas Bonnie Norwood displayed a concern for the community, passion, humor and an understanding of solid waste issues gained over years of involvement, and

Whereas Bonnie Norwood represented the best of what a citizen volunteer and activist can be in our community not only in the realm of solid waste but also helping others in need -- both human and animal,

NOW THEREFORE BE IT RESOLVED THAT

The Orange County Solid Waste Advisory Board honors the memory of Bonnie Norwood and announces its intention along with the Orange County Solid Waste Management Department to plant a tree and erect a plaque in her memory.

THIS IS THE 10th Day of March 2011.

BY _____ for the SOLID WASTE ADVISORY BOARD
