I authorize the Orange County Tax Office to automatically debit my bank account for the payment of my property taxes for the calendar year 2021. This authorization will be in effect through the period indicated below unless I notify Orange County in writing that I no longer wish to have my account drafted. I select the 5th or 20th (choose one) day of each month as the date on which my property taxes should be drafted from my bank account. Depending on which day I choose, the first draft will be charged to my account on January 20th or February 5th. The last draft will be charged to my account on October 20th or November 5th. That will equal a total of 10 drafts in the 2021 calendar year. The amount that I have agreed with the Orange County Tax Office to be drafted from my account is \$ per month. SUGGESTED 2021 DRAFT AMOUNT: \$

I also understand that the monthly amount above is based on last year's property tax bill and that after the last month's draft has been charged to my bank account, I may owe a balance on my current year's real property taxes. I agree to pay this balance in full before January 5th, 2022. Please be advised that payments are non-refundable.
