

WHEELCHAIR CHARGING AND MOBILE POWER SOLUTIONS (WHEELCHAIR CHAMPS)

Principal Investigators: Dr. Pantic (NCSU) and Dr. Filer (UNC)

Focus Group Participants Needed:

- We are conducting a research study designed to investigate the needs of power mobility device users, with the goal of placing charging stations in the Chapel Hill and Carrboro area.
- Join a virtual focus group from the comfort of your home.
- Share your experience using an electric scooter or wheelchair in the community.
- Help design charging stations in Chapel Hill and Carrboro that meet your needs.
