Safe Syringe Initiative

- Clean syringes are available at both our Chapel Hill and Hillsborough locations. Ask for them at the front desk.
- Used syringe disposal dropboxes are available at both locations. Disposal bins accept single use syringes, coffee tins, laundry bottles, etc.

Overdose Reversal

- Free Naloxone (also called Narcan) kits and prescriptions are available at both our locations. Ask for them at the front desk.
- Naloxone can be effective in reversing an opioid overdose such as Rx painkillers (oxycodone, methadone) and heroin.

Chapel Hill Location: 2501 Homestead Road at the Southern Human Services Center
Hillsborough Location: 300 West Tryon Street at the Whitted Human Services Center
