

Plot Plan Example

For Residential Use Only

Please provide a drawing of a map of the lot showing the following:

- Property lines and dimensions of the lot
- Existing structures (house, garage, shed, pool, etc.) on the lot
- Proposed structure with the distance from the structure to the property lines. (Measured in feet from the edge of the right-of-way not edge of road)
- North arrow
- Location of streams and creeks
- Location of driveway, parking easements, rights-of-way, utility easements, etc.
- Should be drawn to scale (e.g. 1" = 40')
