

Zoning Atlas Amendment – Conditional Rezoning Checklist

The purpose of the Zoning Atlas Amendment checklist is to provide direction to the general public on ‘what’ is necessary to submit a complete application package for review and processing by the Orange County Planning Department (hereafter ‘Staff’) consistent with the procedural requirements embodied within the Unified Development Ordinance (UDO), which can be accessed utilizing the following link:

<https://www.co.orange.nc.us/DocumentCenter/View/8305/Unified-Development-Ordinance-PDF>.

Questions on required submittal elements can be handled by calling (919) 245-2575.

Part 1: Pre-Application Conference with Staff

In order to assist applicants through the conditional zoning process, applicants are asked to schedule and attend a pre-application conference prior to formal submittal of the application. The purpose of the pre-application conference is to provide the applicant an opportunity to become familiar with the submittal requirements and procedures associated with processing the application. Per Section 2.2.5 (B), the applicant shall submit a sketch plan illustrating the location, size and major design elements of the proposed development no later than five working days prior to the pre-application meeting.

Part 2: Submittal Instructions

Submit to: Orange County Planning and Inspections
131 West Margaret Lane – Suite 201
PO Box 8181
Hillsborough, NC 27278

Email to: planningapps@orangecountync.gov

Application submittals are accepted during normal business hours.

Plan Sufficiency Review: Per Section 2.2.6 of the UDO, staff has 5 business days to determine if an application complies with all submittal requirements.

Staff shall notify the applicant, in writing (i.e. e-mail or formal letter), of any deficiencies and invite the applicant to revise the application package, correcting identified deficiencies. Incomplete or deficient applications shall not be processed until identified issues are addressed.

If and/or when the atlas amendment application complies with all submittal requirements as detailed within the UDO, Staff shall formally accept the application and notify the applicant of its acceptance.

Requirements: As detailed within the Zoning Atlas Amendment application package, and Section 2.8 of the UDO, submittals are required to contain:

1. A completed/signed Zoning Atlas Amendment application;
2. A map, at a legible scale, showing the land proposed for rezoning;
3. A detailed narrative denoting the following:
 - a. The existing zoning of the subject property and the requested zoning as defined in Article 3 of the UDO;

- b. The current land use designation of the subject property consistent with the Orange County Comprehensive Plan and Future Land Use Map (FLUM), which can be accessed utilizing the following link:
- c. The alleged error in the Zoning Atlas (if any) that will be corrected by the proposed request;
- d. he changed, or changing, conditions (if any) that makes the proposed amendment reasonable necessary to promote the public health, safety, and general welfare;
- e. How the proposed amendment is consistent with, or carries out the intent and purpose of, the Orange County Comprehensive Plan.

4. Plan review fee(s) consistent with the adopted Orange County Fee Schedule.

Additional Requirements – Conditional District Requests: In addition to these general requirements, Section 2.9.2 of the UDO requires all Conditional District Zoning Atlas Amendment applications to submit a site plan, prepared in accordance with the provisions of Section 2.5 of the UDO, including the following information:

- i. Detailed description of the proposed use of property including an outline of the proposed operational characteristics of the proposed development;
NOTE: Applications for a Master Plan Development (MPD) Conditional Zoning District shall provide a site plan consistent with the requirements of Section 6.7 of the UDO.
- ii. A detailed traffic survey, regardless of the estimated number of trips per day, prepared in accordance with all applicable North Carolina Department of Transportation requirements or standards as well as Section 6.17 of the UDO;
- iii. The appropriate environmental document prepared in accordance with Section 6.16 of the UDO,
- iv. A landscape plan showing the location of on-site significant trees; proposed screening, buffers, and landscaping; and any proposed treatment of any existing natural feature;
