

Orange County Health Department is offering **Breast and Cervical Cancer Screenings**

We offer **free breast cancer screenings** to eligible women and men, **cervical cancer screenings** to eligible women, and follow-up services.

Who is eligible?

Participants may be eligible if they meet the following criteria*:

- ◆ Uninsured or underinsured
- ◆ **Cervical Screening:** Women 40-64 years old and not screened within past 5 years
- ◆ **Breast Screening:** Women and Men 40-64 years old
 - ◆ Persons who are presently symptomatic are eligible regardless of age

What services are offered?

- ◆ Clinical Breast Exams
- ◆ Mammograms
- ◆ Pap Test
- ◆ Diagnostic testing if results are abnormal

What if cancer is found?

Clients will receive **referrals to treatment services** if they are diagnosed with breast and/ or cervical cancer.
