

Long-Term Care Insurance and You

Join **Bill Comfort**, owner of **Comfort Long Term Care**, to learn what long-term care insurance is, eligibility, and if it's for you – as traditional insurance does not cover in-home or facility care.

Note: The "sweet spot" for purchasing a policy is 50s – early 60s, although they can sometimes be purchased later. For individuals who qualify for Medicaid, there are facilities that accept this insurance and limited in-home care coverage when personal care is needed.
