

What's Next

A Middle-Stage Program

PROGRAM DETAILS

10 AM - 11:30 AM

Hillsborough

This four-week workshop is available at no cost to families who are caring for someone living with middle-stage dementia. The goal is to respond to the increased challenges associated with life beyond the early stages and the transition from care *partner* to care *giver*.

Limited respite spots are available. Registration and screening required for both workshop and respite. Participants expected to attend all four sessions. Call 919-660-7510 for more information.
