

Housing Options Work Group

Homework 2

Thank you for your continued participation in the work group process! To prepare for Meeting 3, we will focus more on the solutions, programs, and services discussed today.

In order to create strategic objectives for our work group, **it is necessary to identify the various barriers and facilitating factors that the Master Aging Plan might face in creating more housing options for older adults in Orange County.**

Please take a few moments to write down whatever knowledge you already have on this topic and/or do research to discover additional information. We will review this homework at Meeting 3 in order to prioritize objectives to include in the 2012-2017 MAP.

Some questions to consider:

- 1) As an employee or resident in Orange County, what factors make it difficult to develop, improve, or expand housing options within the county?
- 2) What factors contribute to a potential initiative/solution's success?
