Electrical/Plumbing/Mechanical Permit

NOTE: For simple projects such as change-outs, water heater replacement, generators, service change, restore power, etc.

PERMIT # **CB** _____

TMBL/Parcel # _____

Date: _____ Project Address: _____

Power Company: (if applicable) _____ Duke Energy _____ Piedmont

Occupancy type: Residential _____ Commercial _____

Applicant Name and Address:

Property Owner Name and Address (REQUIRED):

Phone: _____

E-mail: _____

SIGNATURE: _____

Work to be permitted:

Electrical:

____ Service Change _____ amp to _____ amp

____ New service for: _____ (list building/structure)

Amps: _____

____ Service Relocation

____ Restore Power (please give details below)

____ Repair (give details below)

____ Generator _____ amp _____ KW

Fuel source _____

OTHER: _____

Mechanical:

____ Change-out _____ # of units

____ Split System

____ Gas logs _____ Fuel Fired Appliance

____ Gas piping

____ Fire place / woodstove, etc.

____ Geothermal System:

Vertical _____ Horizontal _____

____ Radiant Floor Heat (Group One License)

OTHER: _____

Plumbing:

Replace water heater: _____

List if changing fuel source:

_____ to _____

____ Instantaneous

____ solar

____ Irrigation system

____ Water/Sewer connection

____ Add / move Fixtures

____ Add / move water / drain piping

OTHER: _____

*Photovoltaic _____ KW

PV Inspection: Option No. 1 _____ Option No. 2 _____

** _____ PV System total weight is **NOT** greater than 3 psf,

____ The roof covering is either asphalt or metal,

____ Roof covering is **ONLY** one layer of asphalt shingles.

***Please refer to NCOSFM "Inspection procedures" for requirements.
** If any of these PV criteria are not checked (do not apply) a Design Professional sealed design is required for this Permit.**

Description of the Specific work being performed: _____

VALUE OF PROJECT: _____

ELECTRICAL CONTRACTOR

License # _____

Address _____ City/State/Zip _____ Class _____

Contact Person _____ E-mail _____ Phone# _____

Contractor Signature _____ FAX# _____

MECHANICAL CONTRACTOR

License # _____

Address _____ City/State/Zip _____ Class _____

Contractor Signature _____ FAX# _____

PLUMBING CONTRACTOR

License # _____

Address _____ City/State/Zip _____ Class _____

Contact Person _____ E-mail _____ Phone# _____

Contractor Signature _____ FAX# _____

Revised: 9/14/2020

Orange County Solid Waste Management Recyclable Material Permit Application

(Applies to the Town of Carrboro, Town of Chapel Hill, Town of Hillsborough and rural Orange County)
For additional information go to our webpage at <http://orangecountync.gov/recycling>

Please read and understand the following terms:

- A Recyclable Material (RM) Permit is required for all projects and is tied to the issuance of your building or demo permit.
- ***Incomplete and/or unsigned and dated RM permit applications will not be considered & will be returned resulting in a delay of the issuance of your building or demolition permit.***
- The permit applies only to the project listed below and is valid for as long as the related building or demo permit is active.
- ***Not following permit conditions is a violation of the Regulated Recyclable Materials Ordinance (RRMO) and may result in criminal or civil penalties and may result in the loss of Recyclable Material Collector's License, if applicable.***
- A collector's license is required for hauling regulated construction & demolition debris in vehicles larger than 9,000 lbs. GVW. For additional information on hauler licensing see our web-page at: <http://orangecountync.gov/recycling>.
- ***All structures 500 SF or larger that will be demolished require a deconstruction assessment BEFORE the demo permit can be issued. Contact Orange County Solid Waste Enforcement staff at 919-968-2788 to arrange for the assessment.***
- Regulated material management requirements include:
 1. **Clean wood waste** (not painted, stained, treated), **scrap metal**, and **corrugated cardboard** must be recycled and cannot be landfilled. Facilities exist at the Orange County C&D Landfill to recycle these materials at reduced or no tip fee so long as they are kept separate and can be off-loaded separately by the hauler. **If the materials are comingled together, a penalty of double the tip fee will apply since we do not have the ability to separate them out.**
 2. Certified C&D material reclamation facilities (MRF's) may be used as an alternate to source separation or bringing them to the Orange County C&D landfill. **For a current list of certified facilities, please contact the Enforcement Officer of Orange County Solid Waste Management at 919-968-2788.**
 3. ***C&D materials may not be disposed of through burning.***
 4. Land clearing inert debris (LCID; vegetative debris) cannot be burned and may be brought to the Orange County C&D landfill for recycling at reduced tip fees (currently \$18/ton).
 5. Appliances and tires are banned from all landfills in NC and facilities exist at the Orange County C&D landfill for recycling these items at reduced tip fees.
- *Solid Waste enforcement staff may enter the job site to observe if any regulated recyclable materials are being placed in waste containers with other C&D waste materials and if so, a Verification Tag will be placed on the container which must be given to the scalehouse operator at the certified facility where the container must be taken.*
- The RM permit shall be kept on the job and in the permit box for the duration of the project.
- **For questions contact the Enforcement Officer at Orange County Solid Waste at 919-968-2788.**

I have read, understand, and agree to comply with the terms of the Recyclable Material Permit:

X _____ Date: _____

Applicant Information:

Project address: _____ PIN #: _____

Applicant: _____ Owner: _____
