

# ORANGE COUNTY 2017-2022 MASTER AGING PLAN

## STEERING COMMITTEE MEETING AGENDA

April 12, 2017

- I. Welcome and Introductions
- II. Purpose of Meeting – receive feedback from Steering Committee on Master Aging Plan draft (Steering Committee has had the draft for a week and was invited to look at the strategies to which their agencies/organizations were assigned and provide written feedback)
- III. Small Group Discussions
  - a. What in the MAP needs to be improved?
  - b. What is missing from the MAP?
  - c. Where could agencies/organizations collaborate more?
  - d. How should we move forward? What strategies should be considered that would keep the Steering Committee informed of progress and keep the MAP in the forefront?
  - e. How can the towns get more deeply involved in this work? Are there any structures or actions that could be taken to encourage town engagement?
- IV. Closing Charge – provide more feedback as necessary and be prepared to move this work forward; look for commitment letters after the plan is accepted by the Board of County Commissioners
- V. Adjourn
