

# Parkinson's Disease 301: An Overview of "Advanced" PD

This educational program is intended for people who are living with more advanced Parkinson's (ex: long-standing diagnosis, medications and/or exercise not working as well, increasing everyday functional difficulties and safety issues) and their family care partner.

## When & Where:

Friday, May 10, 2019

11:00am-3:30pm

Courtyard by Marriott, Chapel Hill (near the Friday Center)

## Presentations Will Include:

- **Overview of advanced PD: Symptoms & treatment**
- **Staying safe & mobile: Transfers, assistive devices & exercise**
- **Every day activities: Independence & ease of participation**
  - **Swallowing, speech and cognition with advanced PD**
- **The support of palliative care and hospice: Facts and myths**
  - **Coping, caring, and resource considerations**

## Registration

*Space is limited and is first come, first serve.*

*Registration deadline = May 1<sup>st</sup>*

The fee is \$10.00 per person.

Refreshments & lunch included.

You do not have to be a UNC patient to attend.

**To register or if you have questions, please contact Jessica Shurer, LCSW, at 919-843-1657 or [jshurer@neurology.unc.edu](mailto:jshurer@neurology.unc.edu)**
